

# HCP self-registration for the ELViS application

You need to register before using ELViS, but this only takes a few minutes. It is important for you to make a one-off decision on whether

- [Login with the HIN identity](#)
- [Login with the CH-LOGIN](#)

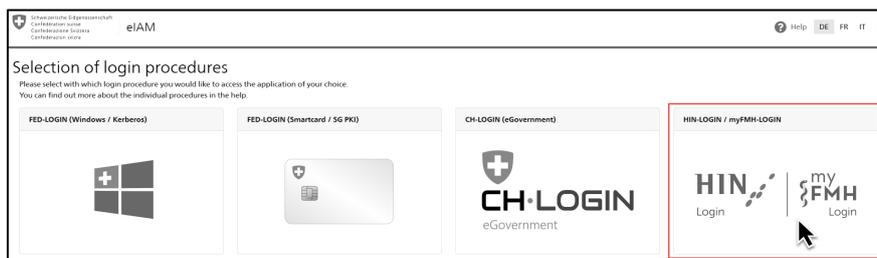

**Note:** The use of two identities and switching between these accesses is not recommended, since reports can be viewed and processed only via the respective login.

## Login with the HIN identity

**Note:** You need a HIN identity. If you do not have a HIN identity, go directly to [Login with the CH-LOGIN](#). If you already have a HIN identity, follow the steps below.

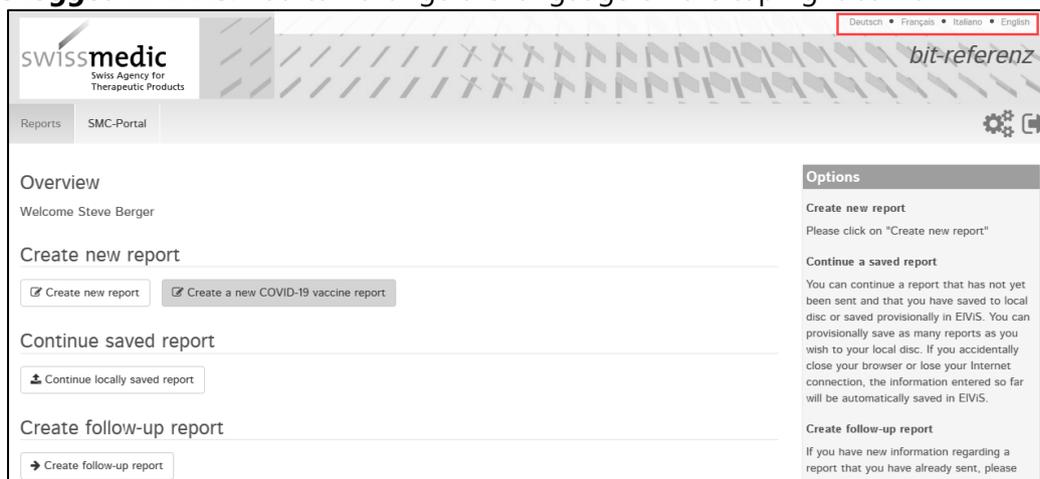

Go to [www.gate.swissmedic.ch/elvis](http://www.gate.swissmedic.ch/elvis)

Click on **HIN** login

Follow the information on the screen to log in ELViS

You are logged in ELViS. You can change the language on the top right corner

You can now close this user's manual and start using ELViS to report suspected adverse drug reactions to Swissmedic.

If you have any problems with or questions about logging in, please contact the Swissmedic service desk at [it@swissmedic.ch](mailto:it@swissmedic.ch)

# Login with the CH-LOGIN

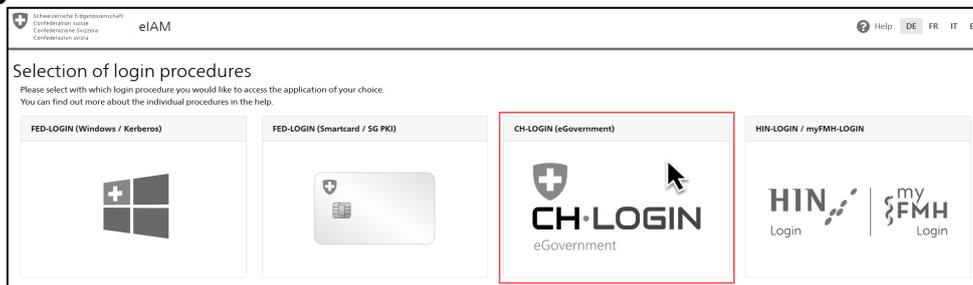

**Note:** if you have a HIN identity, please go to [Login with the HIN identity](#). If you do not have a HIN identity, follow the steps below.

## Create your account in EIViS

You first have to create your user's account in EIViS. This process takes about 15 minutes, but has to be done only once.

Go to [www.gate.swissmedic.ch/elvis](http://www.gate.swissmedic.ch/elvis)

### Click on **CH-Login**

### Click on **Create Account**

Enter your registration details (First name, Surname, Email, Password) and accept the terms of use

### Click on **Continue**

The screenshot shows the registration form with the following fields and values: First name: Max; Surname: Muster; Email: max.muster@abc.com; Password: [masked]; Confirm password: [masked]. There is a checked checkbox for 'I accept the terms of use.' and a 'Continue' button highlighted with a red box. A mouse cursor is pointing at the 'Continue' button.

You will receive an email with a confirmation code

Enter the **confirmation code**

Click on **Continue**

CH-LOGIN - Enter confirmation code

**i** Enter the confirmation code we sent you via email to the following email address:  
steve.berger.steve.berger@gmail.com

7961396

Request new code Back Continue

Click on **Continue**

CH-LOGIN - Completion of registration

**✓** You have successfully registered.

**!** Because the application you want to access requires it for security reasons, you must register a two-factor authentication. The "Continue" button takes you to the wizard, which guides you through the registration process. Please note that you must first enter additional security questions for recovery purposes.

With MyAccount, you can later register additional authentication methods and/or change your two-factor authentication settings at any time.

Continue

Select your favourite three security **questions**. Enter your **answer** for each question

**Note:** the security questions will be used if you forget your password. It is important to select questions you can easily answer.

Click on **Continue**

Register security questions

**i** Please select three security questions below and answer them.

**Security question 1**  
What was the name of my best friend from childhood?  
George

**Security question 2**  
What was my favorite subject in school?  
Math

**Security question 3**  
Where was my first residence?  
France

Continue

Select **Mobile/Landline number**

Click on **Continue**

**Select authentication method**

**i** With two-factor authentication, you add an extra layer of security to your account. We recommend therefore to use an Authenticator App (available on the appstore of your mobile device). You can also choose the Mobile / Landline number option below, if you haven't an Authenticator App.

Mobile / Landline number

Authenticator App

Continue

Enter your **phone number** in the format 07XAAABBC

**Note:** it has to be a cell phone which can receive SMS

Click on **Continue**

**Determine phone number**

**i** Please enter the telephone number (mobile or landline) which you want to use for the second factor authentication. In the next step you will receive a code by SMS to complete the registration.

XXXXXXXXXX

Change method

Continue

You will receive an SMS with a code. Enter the **confirmation code**.

Click on **Continue**

**Enter confirmation code**

**i** An SMS containing a confirmation code has been sent to the following phone number: 0041763762622. If you have provided a landline number, the SMS will be converted into a voice message.

XXXXXX

Send a new code

Back

Continue

**Wait a few seconds**, you will be automatically redirected.

Accept the **terms of use**  
Click on **Continue**

Request access

Please fill in all necessary fields. For additional information, please use the comment field. Read and accept the terms of use. Then click on "Continue".

Completion of the access request

You now have access to the desired application.  
The new access authorizations are only active when you log on to the application again. With "Back to application" you restart the login process.

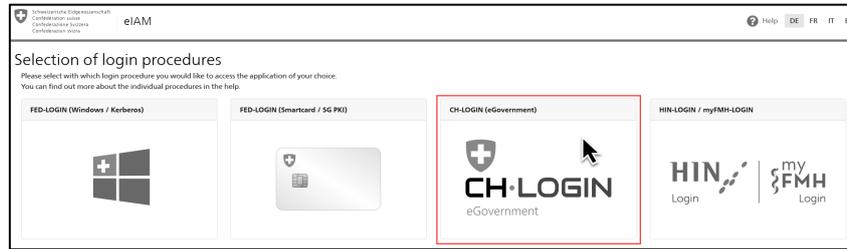

✓ Your access request for the application 'ELVIS - Elektronisches Vigilanz System' was successfully submitted.

Congratulations, you have finished the self-registration successfully. You can now follow the instructions below to [Log in EIViS](#)

## Log in EIViS

Go to [www.gate.swissmedic.ch/elvis](http://www.gate.swissmedic.ch/elvis)

Click on **CH-Login**

Enter your **Email** and **Password**

Click on **Login**

The screenshot shows two side-by-side forms. The left form is titled 'CH-LOGIN - Login' and contains an 'Email' input field, a 'Password' input field, a 'Forgot password?' link, and 'Cancel' and 'Login' buttons. The right form is titled 'CH-LOGIN - Create Account' and contains the text 'If you do not yet have a CH-LOGIN Account, click on "Create Account".' and a 'Create Account' button. Red boxes highlight the 'Email' and 'Password' fields in the login form and the 'Create Account' button in the create account form.

Enter your **confirmation code** you received on your phone

Click **Continue**

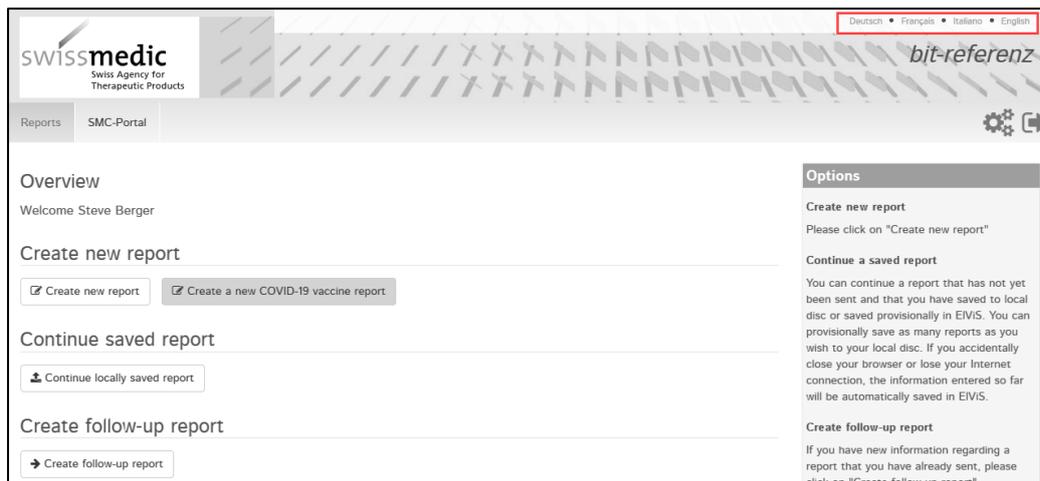

The screenshot shows the 'CH-LOGIN - Enter confirmation code' form. It features an information icon and the text 'Enter the confirmation code (mTAN) we sent you via SMS'. Below this is a text input field containing '123456'. At the bottom, there are 'Cancel', 'Request new code', and 'Continue' buttons. Red boxes highlight the input field and the 'Continue' button.

Enter your **information**

Click on **Save and Close**

The screenshot shows the 'Contact information' form. It starts with the title 'Contact information' and the instruction 'Please enter your contact information.' There are four input fields: 'Address \*' with the value 'Musterweg 123', 'Zip code \*' with the value '3000', 'City \*' with the value 'Bern', and 'Phone number' with the value '0791234567'. At the bottom right, there is a 'Save and Close' button. Red boxes highlight the 'Address', 'Zip code', 'City', 'Phone number' fields and the 'Save and Close' button.

**You are logged in EIViS.** You can change the language on the top right corner:

You can now close this user's manual and start using EIViS to report suspected adverse drug reactions to Swissmedic.
